Keep In Touch report

The following KIT volunteers make calls:

- Jo-Ann Pinney
- Helen Freedman
- Barbara Keller
- Nichola Baker
- Pam and Peter Ordever
- Sue Fenton
- Sylvia Mellenbach
- Tracey Grant
- Trudy Kosky
- Anne Fishman

Jennie Kirstein was a caller, but due to ill health, has had to stop making calls.

Currently 55 people receive calls from KIT volunteers, These calls are made, roughly every couple of months, in some cases more frequently. . More volunteers are needed to become callers, as we have people who would like to receive calls.

If there are any concerns/ issues which may need addressing, the KIT committee members contact myself to discuss and I forward onto Rabbi Richard if necessary, e.g. if someone is in hospital.

The KIT Committee meets approximately 3 times a year to discuss any relevant issues. Rabbi Richard is in attendance at these meetings.

A huge thank you to the volunteers for all their help and support in making phone calls.

If you require any further information, please let me know.
