THE CAMP SIMCHA

B'NEI MITZVAH PROGRAMME

MAKE YOUR BAR OR BAT MITZVAH EVEN MORE SPECIAL

CAMP SIMCHA

MAKING A DIFFERENCE FOR SERIOUSLY ILL CHILDREN

At such a milestone moment in a young Jewish person's life, more and more families are looking for a meaningful way for their child to mark their Bar or Bat Mitzvah, beyond their simcha. Camp Simcha's B'nei Mitzvah Programme offers just this, with opportunities to be part of an organised fundraising walk and volunteering events, together with other young people who are celebrating their B'nei Mitzvah.

October - Kick starter evening

- To kick start the programme, your child will attend an evening to learn about what we do and how they can help the people we support.

November/December – Toy Drive packing activity

- Your child will be part of our annual Toy Drive which sees us sending in over 10,000 toys and gifts to children in hospital.
- They will join us for a packing session – to sort and pack toys to deliver to 120 hospital wards and hospices.

Rafi raised £2,798 and made 2021 people smile for Camp Simcha to mark his Bar Mitzvah.

"When I was at primary school we often fundraised for Camp Simcha, so I know a lot about their work. I think what they do is lovely and I know they make sick children smile so it felt like that fitted really well into my challenge."

Purim packing activity

- Your child will assist us in packing care packages for families Camp Simcha supports.

Spring/Summer Sponsored walk

- Your child will join us for an organised, sponsored walk, culminating at the Camp Simcha offices in Golders Green. We will visit two North London hospitals, delivering toys to seriously ill children.
- We will provide support setting up their fundraising page.

All children who take part in our B'nei Mitzvah Programme will be offered the opportunity to join our Young Ambassadors initiative, where they will receive occasional updates about our work and ideas on how they can continue to help us raise awareness and reach families who need Camp Simcha's support. Each child will also receive a goodie bag and a certificate of participation.

If your child would prefer to do their own fundraising challenge, we can support them. You can also take a look at our A-Z of fundraising ideas overleaf.

Sarah raised £850 together with her cousin Adam.

"I have really enjoyed being part of the Camp Simcha programme to mark my Bat Mitzvah and meeting up with the same kids for the different activities. It was great making mishloach manot for children who are having a hard time."
